REPORT OF THE
County Commissioners.

The County Commissioners of Bristol County herewith submit the following as their annual report upon the affairs of the County of Bristol for the year 1906, in accordance with the provisions of Chapter 21, Section 25 of the Revised Laws.

FINANCIAL CONDITION.

The permanent debt of the County at the beginning of the year was nine hundred and seventy-five thousand dollars ($975,000.00); of this indebtedness there was paid during the year the sum of eighty-five thousand dollars ($85,000.00); as follows: On account of the new Registry Building at Taunton sixty thousand dollars ($60,000.00); and on account of the Third District Court and the New Bedford Court House twenty-five thousand dollars ($25,000.00); the permanent debt of the County at the present time, to wit: January 1st, 1907, is eight hundred and ninety thousand dollars ($890,000.00).

The present debt, namely eight hundred and ninety thousand dollars ($890,000.00) is made up as follows:

County notes on account of New Bedford and Fairhaven Bridge,	$800,000.00
County note on account of Fall River and Somerset Bridge,	20,000.00
County notes on account of New Registry Building at Taunton,	70,000.00
	$890,000.00

During the past year the sum of three hundred and twenty thousand dollars was raised by direct taxation.

It is estimated that it will only be necessary to raise by taxation the present year the sum of three hundred and eight thousand dollars ($308,000.00), being twelve thousand dollars less than the amount raised during the past year; of the above sum sixty thousand dollars ($60,000.00) is to be used for payment of part of permanent debt; the debt to be paid is made up as follows: On account of the new Registry Building at Taunton forty thousand dollars ($40,000.00) and on account of the New Bedford and Fairhaven Bridge twenty thousand dollars ($20,000.00).

On December 3, 1906, the Court ordered judgment entered on the Report of the Commissioners appointed to apportion the cost of construction and maintenance of the New Bedford and Fairhaven Bridge, and by this apportionment the part to be paid to the County of Bristol will materially reduce the debt of the County on account of said bridge.

In four departments the estimates for the year prov ed insufficient, viz: interest on county debt; appropriation for salaries of Jailers, Masters and Assistants and support of prisoners in Jails and Houses of Correction; for highways, bridges and land damages, and for the Truant School at Walpole.

A brief summary of the receipts and expenditures for the County during the year is as follows:

RECEIPTS.

Balance on hand Jan. 1, 1906,	$103,449 .12
Amount raised by taxation,	320,000 .00
Amount received from temporary loans,	160,000 .00
Amount received from sales of merchandise, fines, fees, interest and dog fund, etc.,	95,968 .75
Amount received from apportionment of N. B. & F. Bridge,	64,303 .75
Total Receipts,	$743,721 .62

EXPENDITURES.

Total expenditures for the year,	$618,194 .15
	$125,527 .47

It has been estimated that it will be necessary to appropriate for the payment of interest for the coming year the sum of $30,000.00.

For specific details as to the receipts and expenditures of the past year we beg leave to refer to the report of the County Treasurer.

HIGHWAYS.

No new highways have been laid out during the past year.

Two petitions for assessment of damages occasioned by the widening of Kempton Street in the town of Dartmouth, which were pending in the Superior Court, viz: Elizabeth Beedon and Isaac B. Poole, have been determined; in the case of Elizabeth Beedon by the payment of the sum of four hundred and seventy-eight dollars and thirteen cents ($478.13), and in the case of Isaac B. Poole by the payment of the sum of twelve hundred and seventy-five dollars ($1275.00).

The Mayor and Aldermen of the City of New Bedford on November 13, 1906, filed petitions for the laying out of Coggeshall and Cedar Grove Streets across

the tracks of the Old Colony Railroad Company, and after a hearing upon the same on December 24, 1906, decrees were entered granting said petitions.

On December 5th, 1906, F. S. Tripp and 57 others filed a petition for the approval of a townway in the Town of Dartmouth which the Selectmen of the town had already laid out, but which the town has heretofore refused to approve; no action has been taken upon the same as yet.

No sums have been paid to the County during the year as betterments.

STATE HIGHWAYS.

There has been paid to the State during the year the sum of ten thousand three hundred and twenty-seven dollars and forty-one cents ($10,327.41) on account of State Highways.

The Commissioners have presented no petitions for State Highways to the State Highway Commissioners during the year.

BRIDGES.

No work has been done by the County on any bridge during the past year.

The matter of the apportionment of the cost of construction and maintenance of the New Bedford and Fairhaven Bridge has been finally settled and apportionment of cost thereof been made as follows, viz.:

Town of Wareham	pays the County of Bristol the sum of	$2,100.00
Town of Marion	" " " " " " " "	945.00
Town of Mattapoisett	" " " " " " " "	1,190.00

City of Fall River	" " " " " " " "	56,664.15

And the County of Bristol pays the City of New Bedford the sum of $226,292.00.

In the matter of the bridge over Taunton Great River between Fall River and Somerset the location has been finally determined by the commission and the north location, so-called, has been accepted and contract awarded for the entire construction of the bridge, by the terms of which the same is to be completed within two years.

REGISTRY BUILDING.

This edifice is now about completed and is occupied by the Registry of Deeds, and it is expected that the Probate Court Room and Probate Office will be occupied in a short time.

The stone work used in the trimming of this structure, concerning which some doubt was entertained last year in regard to its permanency and durability, has by the advice of experts been treated to a preparation of oil and paint which has rendered it more sightly; the cornice and parapet have been covered with copper, lapped over to form a drip moulding, thus preventing the drip of water down the face of the stone, and it is thought that the durability of the stone work on this account will be much increased.

The contract for building the Judge's Bench and platform in the Probate Court Room was awarded to Lewis M. Witherell of Taunton for the sum of seven hundred and forty-seven dollars ($747.00); and the contract for furnishing the electric light fixtures was awarded to E. H. Tarbell & Company of Boston for the sum of two thousand nine hundred and eighty-five dollars ($2,985.00).

REPAIRS AND ADDITIONS TO COUNTY BUILDINGS.

From present indications it would seem that no very extensive repairs would be necessary to any of the County Buildings in Taunton.

The Jail is in fair condition and nothing of any consequence will be needed there during the coming year.

At the Court House in Taunton it is proposed to remove the library from its present quarters to those now occupied by the Probate Office, and in this way sufficient accommodations for a good many years to come will be provided.

At the New Bedford Court House the roof appears to be in bad shape, and there seems every probability that it will have to be extensively repaired if not replaced.

At the House of Correction and Jail in New Bedford it was found necessary during the year to make some slight repairs to the brick wall enclosing the same; with this exception nothing has been done and no repairs are now needed.

At the Fall River Court House the accommodations for the Registry of Deeds have for some time been much restricted and to alleviate this it is proposed to fit up the rooms now occupied by the Clerk of Courts and County Treasurer as additional quarters; this it is estimated can be done at comparatively small outlay.

As stated in last year's report the Commissioners had under advisement the proposition of the Fall River Bar Association for more extended quarters for library accommodations, viz: by flooring over the old library room and devoting the upper room, thus formed, to library purposes, and using the lower or former floor as a consulting room; this after mature reflection was deemed by the Commissioners not only a practicable but wise step, the larger accommodations thus secured providing ample room for the Fall River Library for a number of years. The alterations thus entailed have been completed during the year.

PETITIONS ENTERED DURING THE YEAR.

During the year the following petitions were entered :

Mount Hope Finishing Company for leave to build private railroad across Somerset Avenue and South

Street in Taunton. Heard and decree entered.

Bishop William Stang of Fall River for abatement of tax. Heard and tax abated $1,000.00.

John F. Nichols of Fall River for abatement of tax. Heard and petition dismissed.

Mayor and Aldermen of the City of New Bedford for leave to lay out Coggeshall and Cedar Grove Streets in said New Bedford across the tracks of the Old Colony Railroad Company. Heard and decrees entered.

F. S. Tripp and others petitioners for way in Dartmouth.

During the year the petition of Owen Hart of Taunton for abatement of tax was heard and it was voted that the whole amount of the tax assessed him for the year 1905 be abated.

The petition of the Attleborough Branch Railroad Company for alteration of crossing at Peck Street in Attleborough was heard and decree entered.

No petitions are pending in the Superior Court for land damages against the County.
